Week-Long Intra-College Sports Festival at HKM GDC Bandipora

The Department of Physical Education and Sports, HKM Degree College Bandipora, successfully conducted a week-long Intra-College Sports Festival for boys and girls from 28 September to 3 October 2026. The festival was organised under the guidance of the Principal, HKM GDC Bandipora, and the active supervision and leadership of Prof. Shahid Shafi, Convenor, Sports Committee. The festival commenced with an inaugural ceremony in the presence of the Principal, who formally inaugurated the sporting activities and encouraged students to participate with enthusiasm, discipline and a healthy competitive spirit. The event witnessed massive participation from students, reflecting their keen interest in sports and the college's commitment to providing opportunities for students to develop their physical abilities alongside their academic pursuits.

A diverse range of sporting activities was organised throughout the festival, ensuring participation across different interests and abilities. The schedule included table tennis and skipping rope on 28 September, volleyball on 29 September, badminton on 30 September, and carrom, chess and kabaddi on 1 October. The concluding sporting activities on 3 October included athletics, with competitions in shot put, javelin and discus. The inclusion of both individual and team events provided students with opportunities to demonstrate endurance, agility, strength, coordination, strategic thinking and teamwork. The carefully planned programme also ensured that both boys and girls could participate actively in the various sporting disciplines.

Prof. Shahid Shafi, Convenor of the Sports Committee, remained actively involved throughout the festival and provided continuous guidance and supervision for the smooth conduct of the activities. The college PTI also played an important role in coordinating and guiding the students during the various games and events. Their sustained presence on the ground helped ensure that the competitions were conducted in an organised, disciplined and sporting manner. From the initial arrangements to the conduct of individual games, the Sports Committee and the Physical Education staff worked in close coordination to facilitate participation and maintain the spirit of fair play. The enthusiastic involvement of students and the active guidance provided by the organisers contributed significantly to the successful execution of the festival.

The Intra-College Sports Festival provided a vibrant platform for students to display their sporting talent, build confidence and experience the values of teamwork, discipline, perseverance and healthy competition. The massive participation throughout the festival made it an important and engaging co-curricular initiative of HKM GDC Bandipora. The successful completion of the week-long programme demonstrated the college's sustained emphasis on holistic student development and the promotion of a healthy sporting culture on campus. The Sports Committee, under the guidance of the Principal and the leadership of Prof. Shahid Shafi and the College PTI, deserves appreciation for organising and conducting the festival smoothly and creating an energetic sporting atmosphere in which students could participate, compete and enjoy themselves.
