Visit to Elementary School Report

The Department of Education organised an educational visit to Government Middle School Patushay, Bandipora, on 6 October 2026, under the guidance of Principal Prof. Suresh Kumar Dogra. The students were accompanied by their teachers, Dr. Manzoor Ahmad Paray and Dr. Hadiya Habib.

The purpose of the visit was to familiarise students with the day-to-day functioning of an elementary school. The students visited different classrooms, observed curricular and co-curricular activities, and interacted with schoolchildren and the Headmaster. An interactive discussion was also held between the visiting students and the school teachers on various issues, including the implementation of NEP 2020 and the shortage of female teaching staff.

The students also visited the mid-day meal section, examined the meal roster, and gained awareness about the implementation of the scheme. The visit provided valuable practical exposure to the students and helped them develop a better understanding of the functioning of elementary schools. It concluded on a positive note and proved to be an enriching learning experience for all participants.
