Campus Cleanliness Drive

11 November 2025

The NSS Units, NCORD Cell and Landscape and Cleanliness Committee of HKM Government Degree College Bandipora jointly organised a **Cleanliness Drive** on the college campus on 11 November 2025. The initiative aimed to promote the message of cleanliness, hygiene, and environmental responsibility among students and staff. The drive began with a brief orientation by the Officiating Principal, Dr. Mubashir Hamid Mir, who highlighted the importance of maintaining a clean and green campus as a shared responsibility of every member of the institution. He appreciated the efforts of the NSS volunteers and the NCORD Cell in taking forward the vision of a clean and healthy environment.

During the drive, volunteers actively participated in cleaning various sections of the campus, including classrooms, corridors, lawns, and surrounding areas. They also removed litter and waste materials, ensuring proper disposal and segregation of biodegradable and non-biodegradable waste.
