Career & Employability Skill Development Workshop

H.K.M. Government Degree College, Bandipora, under the guidance of Principal Prof. Suresh Kumar Dogra, organized a three-day Career & Employability Skill Development Workshop from 28 to 30 September 2026 in collaboration with EduRuh Solutions Pvt. Ltd. (EduRuh EDGE). The workshop was organized by the Department of English and the Youth Empowerment Cell with the objective of equipping students with practical communication, professional and employability skills. Prof. Bilquees Rasool, HOD English, delivered the welcome address and highlighted the importance of developing skills that can enhance students' confidence, employability and preparedness for the professional world. Mr. Aijaz Ahad, Founder and CEO of EduRuh Solutions Pvt. Ltd., served as the resource person and conducted the sessions.

The workshop was structured around three focused themes. The session on 28 September, titled "Speak So People Can Listen," focused on vocal clarity, active listening, overcoming stage inhibition and making impactful personal introductions. The session on 29 September, "From College Language to Business Language," introduced students to business writing, corporate messaging, email etiquette and effective workplace interaction, helping them understand the transition from academic to professional communication. The concluding session on 30 September, titled "Your First ₹10,000," familiarized students with skills-to-income models, the fundamentals of freelancing, portfolio positioning and the safe and independent monetization of their capabilities.

The three-day workshop provided students with a practical and progressive learning experience, moving from communication and confidence building to professional communication and skills-based income generation. The sessions encouraged students to recognize, develop and effectively present their abilities in an increasingly competitive professional environment. The programme concluded with an emphasis on continuous skill development, effective communication, confidence and the exploration of emerging opportunities for independent and sustainable career growth. Dr. G. M. Khan, Faculty, Department of English, served as the Rapporteur of the programme.
