## Cleanliness Drive Organised by the Cleanliness, Landscape and Beautification Committee May 26, 2025

The Cleanliness, Landscape and Beautification Committee, in collaboration with the Department of Botany, organised a Cleanliness Drive on May 26, 2025. The initiative aimed to promote environmental consciousness and instil the value of cleanliness among students and staff.

The event began with an inspiring address by the officiating Principal, Prof. Bilquees Rasool, who highlighted the importance of cleanliness in daily life, particularly in the context of escalating environmental pollution.

The drive successfully covered all high-footfall areas of the campus under the guidance of the Convenor of the Committee and the Head of the Department of Botany, Dr. Mehrajuddin Talie. A large number of students, especially NSS volunteers, actively participated alongside teaching and non-teaching staff. Participants diligently collected and disposed of waste from multiple locations, demonstrating a strong commitment to building a cleaner and healthier campus environment.

Dr. Talie expressed gratitude to all participants for their dedication and teamwork, acknowledging the event as a collective step towards sustainable living. Dr. G. M. Khan from the Department of English served as the rapporteur for the event.
