Cleanliness Drive under *Swachhata Abhiyan* as Part of Independence Day 2025 Celebrations

In continuation of the initiatives under *Swachhata Abhiyan* and as part of the on-going activities leading up to the 79th Independence Day celebrations, the College Cleanliness Committee, in collaboration with the NSS Unit of the college, organised a comprehensive **Cleanliness Drive** on 14th August 2025.

The drive, conducted under the dedicated leadership of the Committee Convener, **Dr. Mehrajuddin Talie**, commenced from the main gate of the college and concluded at the Girls Park. It witnessed enthusiastic participation from NSS volunteers, students, teaching faculty, and non-teaching staff. Various sections of the campus, including corridors, lawns, and common utility areas, were meticulously cleaned.

The objective of the drive was not only to enhance the physical environment of the institution but also to reinforce the significance of cleanliness as a collective social and civic duty.
