Dated:

Poster Rally on Drug Abuse Prevention 22nd September 2025

As part of the series of activities conducted under *Sewa Parv 2025*, the College NCORD Committee, in collaboration with the NSS Units of the college, organised an **Awareness Poster Rally** on the theme “**Drug Abuse Prevention**” on 22nd September 2025.

The programme commenced with brief but thought-provoking introductory remarks by Convener, NCORD Committee, Dr. G. M. Khan, who highlighted the urgent need to curb the menace of drug abuse, especially among youth. On this occasion, the participants also took a solemn pledge to ensure that no student indulges in drug consumption. Following this, enthusiastic students, holding creatively designed posters and placards with impactful slogans, carried out a rally across the college campus and extended the awareness drive to a nearby Government School.

The rally attracted widespread attention and succeeded in generating awareness among students and local community members about the harmful consequences of substance abuse. The initiative not only emphasised the college’s commitment to social responsibility but also reinforced the collective resolve to contribute towards building a healthier, drug-free society.
