## School Visit under Sewa Parv 2025 by HKM GDC Bandipora 24<sup>th</sup> September 2025

Continuing the spirit of **Sewa Parv 2025**, the NSS Units and the College Unnat Bharat Abhiyan Committee of HKM GDC Bandipora, accompanied by faculty members and non-teaching staff, visited **Government Middle School Shamthan**, Bandipora, on 24<sup>th</sup> September 2025. The programme was held under the dynamic leadership of NSS Programme Officers Prof. Irfan Ahmad Wagay and Dr. Wasia Hamid, along with the Coordinator of Unnat Bharat Abhiyan.

The visit commenced with an address by Prof. Irfan Ahmad, Sewa Parv Nodal Officer, who highlighted the purpose of the programme and engaged in a cordial interaction with the students. This was followed by teacher–student interactions that set a positive tone for the day. A much-anticipated tug-of-war competition was then organised separately for male and female students, efficiently coordinated by Dr. Zahid Hussain Bhat, Prof. Sadaf Shafi, Prof. Shahid Shafi and Dr. Mehrajuddin Alie. The enthusiastic participation of students created an atmosphere of cheer and excitement across the campus.

An interactive session between faculty members, NSS volunteers, and students added further vibrancy to the event, fostering dialogue and exchange of ideas. The highlight of the day was the distribution of stationery items, which brought immense joy to the children and left them with fond memories of the occasion.

The programme concluded with Prof. Tariq Ahmad Bhat delivering a vote of thanks, expressing gratitude to the school administration for their cooperation and support. The visit not only strengthened the bond between the college and the local community but also embodied the true essence of Sewa Parv—spreading joy, service, and collective responsibility. Dr. G. M. Khan served as the rapporteur of the event.
