Dated:

Participation in District-level Sewa Parv Event 22nd September 2025

Under the banner of **Sewa Parv 2025**, the College NCORD Cell, in collaboration with the NSS Units and the Literary and Drama Club, prepared and guided a contingent of 20 students to participate in a grand Sewa Parv event organised by the District Administration Bandipora at Chitternagar on 22nd September 2025.

Prior to the event, students were carefully counselled and their preparations were closely monitored to ensure quality participation. The students showcased their talent in two major categories: the **Painting Competition** on the theme “**Nasha Chodo, Bharat Jodo**” and various **Cultural Activities**, both of which highlighted the message of unity and the urgency of combating drug abuse. Two students from our college, namely Ms. Farkhanda Reyaz of 3rd Semester and Ms. Zainab Altaf of 3rd Semester, bagged 2nd and 3rd Positions respectively. The college delegation was accompanied by Dr. Nassarul Islam, HoD Chemistry, and Prof. Sadaf Shadi, Faculty, English, whose guidance and encouragement played a vital role in motivating the participants.

The participation not only provided a platform for students to display their creativity and cultural skills but also reinforced the college’s active role in promoting social awareness and contributing to the vision of a drug-free and united India.
