School Visit under Sewa Parv 2025 by HKM GDC Bandipora 20th September 2025

Continuing the spirit of **Sewa Parv 2025**, the NSS Units and College *Unnat Bharat Abhiyan* Committee of GDC Bandipora, along with faculty members and non-teaching staff, visited **Government Girls Middle School Aloosa** on 20th September 2025. The programme was organised under the dynamic leadership of NSS Programme Officers Prof. Irfan Ahmad Wagay and Dr. Wasia Hamid, and Prof. Tariq Ahmad Bhat, Coordinator of *Unnat Bharat Abhiyan*.

The visit began with an address by the Officiating Principal, Dr. Mubashir Hamid, who spoke about the purpose of the programme and interacted warmly with the students. Teacher–student interactions set the tone for the day, followed by a much-awaited tug-of-war competition organised separately for male and female students. Their spirited participation created a lively and cheerful atmosphere across the campus.

An engaging interactive session was then conducted, where faculty members and NSS volunteers conversed with students across various classes. The highlight of the day was the distribution of stationery items.

The gesture lit up the faces of the children, leaving behind moments of joy and fond memories. The programme concluded with Prof. Tariq Ahmad Bhat expressing heartfelt gratitude to the school administration for their cooperation and support. The visit not only strengthened the bond between the college and the local community but also truly reflected the essence of **Sewa Parv**—spreading joy, service, and collective responsibility. Dr. G.M. Khan served as the rapporteur for the event.
